

# Regional Awareness and Accessibility Program

## MEDIA RELEASE

27 September 2021

### Ombudsman strengthening links in the regions

Staff from the offices of the Ombudsman and the Energy and Water Ombudsman will be visiting Broome, Derby and Fitzroy Crossing from 25 to 29 October 2021.

The visit is an integral part of the office's Regional Awareness and Accessibility Program, which is intended to ensure awareness and accessibility to our services by regional and Aboriginal Western Australians and the services of the Health and Disability Services Complaints Office, the Equal Opportunity Commission, the Corruption and Crime Commission and Consumer Protection.

Western Australian Ombudsman Chris Field said that improving awareness of the office's services, and strengthening relationships with regional communities, were key priorities.

"We want to ensure that our services are as accessible as they can possibly be to Western Australians living and working in the regions," Mr Field said.

The events taking place in Broome, Derby and Fitzroy Crossing include:

- Drop-in clinics where members of the public can bring their complaints;
- Meetings with the Aboriginal community; and
- Visits to, and liaison with, public authorities and community organisations.
